Subject: Juneau Access DSEIS saved to your ARU folder

Hi Becky,

I am in the process of saving the entire Draft SEIS to your folder under a new subfolder entitled Juneau Access DSEIS. There are for sure some appendices that you won't need but I didn't want to leave out a section that you might. Feel free to delete whatever you want. If you have any trouble accessing the document, please let me know.

Thanks again,
